WHO WE ARE ?

Cambridge Institute of Polytechnic is approved by AICTE, New Delhi and Affiliated to Jharkhand University Of Technology (JUT), Government of Jharkhand. This Polytechnic Institute was one of the dream project of our founder Late Dr. Bahadur Singh. This Institute is established in Baheya, Angara, Ranchi, a very peaceful locality with lush green belt. The lively vicinity surrounded with flora and fauna paves the way for quiet and peaceful environment for quality education. The Institute has been promoted by Cambridge Trust of India, a registered body under Indian Trust Act.

COURSES WE OFFER

COMPUTER SCIENCE & ENGINEERING

The Department of Computer Science & Engineering (CSE) at Cambridge Institute of Polytechnic was established with the commitment to motivate and nurture young minds for production of excellent manpower to meet the challenges of a dynamic and ever changing industry. The course is designed to equip the students with the skills, concepts and principles of computing and helps develop an understanding of its application in computing system design, implementation and usage.

MECHANICAL ENGINEERING

Mechanical engineering is a discipline of engineering that enforces the principles of engineering, physics, design, manufacturing, materials science and maintenance of mechanical systems. It is the branch of engineering that associates the generation and use of heat and mechanical power to outline the design, production and operation of machines and instruments.

CIVIL ENGINEERING

Civil engineering is the discipline of global creator to meet the fundamental needs of human beings. Civil engineering provides comforts to public life. It traditionally covers streams such as geotechnical engineering, surveying, construction technology, structural engineering, environmental engineering, transportation engineering, material engineering, urban planning, water resources engineering, architectural drawing, quantity analysis, earthquake engineering etc.

ELECTRICAL ENGINEERING

The Department of Electrical Engineering was started in 2016. The department is dedicated to produce quality Engineers. The Department provides quality education and have all the laboratory facilities with highly experienced faculties. We are bounded to give the best to our students for their endeavour future.
